Lion Park Tour: **HAPPY METER** 😊😊😊😊😊😊

Departure 09h00 to 14h00

Be collected from the hotel and proceed to the Lion and Safari Park situated about an hours drive Northwest of Johannesburg. This haven will help you escape the hustle and bustle of the city. The reserve boasts game species like White and tawny Lions, Cheetah, Wild Dogs, Hyena and a host of other species of game. You will also experience the excitement of being taken in an open Game viewer and driving around the three different Predator camps, where you can witness our magnificent prides of white and tawny Lions living in their natural environment. The vehicle also will take you into the plains area to view the numerous antelope species. A must is also to visit our animal crèche to see our lion cubs where you will get the opportunity to interact with them and one of the high lights of the day is you also get to interact with a 4 year old cheetah, if you are brave enough. After your encounter with the cubs you will be able feed Purdy and her daughter Zoe the giraffes as they stands towering over you waiting patiently for more food. Please take note that the Giraffes are free to roam the park so are not always there to entertain you. ☺
