Feel the excitement of knowing you are about to take a journey into uncharted areas where it is you and Africa's most feared creatures by exploring their territory, by their rules. You will be collected from the Hotel at 06h00 and proceed to the Pilanesberg Nature Reserve that spans an area of 550 square kilometers, the home of the BIG FIVE. Here we will drive around in the safety of our vehicle and feel the tension mounting that at any moment just around a corner you could drive into a herd of elephant or the king himself the lion or if lucky spot the ever elusive leopard as he lies on a rock or in a tree watching you and enticing you to make a mistake. Without a doubt you will feel the sensation of total tranquility of the African bush and know that that feeling will linger with you for eternity. During your trip we will stop off within the reserve and be treated to a Gourmet lunch surrounded by Mother Nature. After an eventful day we then head out for Chameleon African Curio market. Here you will have the pleasure of walking around an area with 186 different stalls all enticing you to purchase a gift for a loved one back home. Once you have satisfied your purchasing needs we depart for the lion park where you will be able to interact with lion cubs and if brave enough a 2 to 3 year old cheetah. If Purdy and her daughters, the resident giraffe are around they will demand your attention and of course a snack would go down very well if you are brave enough to feed them. After a drive around the main 6 predator's camps with Lions and Cheetah we then take a leisurely drive back to your hotel for a well earned rest and memories that will last a lifetime.
