**HAPPY METER** 😊😊😊😊😊😊

You will be collected from your Hotel at 07h15 and driven to a reserve a mere 45 minutes away. On arrival we will sit outside on the deck overlooking some of the most scenic area in the Magaliesberg whilst enjoying a hot beverage and a homemade muffin. We then all get onto an open 4 x 4 Game Viewer and head off in search of the elephants, the matriarch (Known as Three) and her two calves Marti and Hanna as your escort. If lucky you may just come across the local celebrity Jack our zebra whilst he watches over his herd of ladies. During the drive you will encounter a host of different antelope such as Blesbok, Blue Wildebeest, Impala and many more. On finding the Elephants we then get off our vehicle and spend half an hour of intense interaction with them. Here I will be taking picture for you so that you can enjoy the full moment of it, and not through the lens of a camera. After the personal relationship that you have build with her we then get back onto the game viewer and head back to the lodge knowing you have connected with one of Mother Nature's most awesome creatures. On returning to the lodge we then set off for the Lion Park that now spans an area of about 800 hectors. On arrival you are again put onto an open game viewer that will take you on a tour of the predator camps as well as the Hyena and antelope enclosures. This will take us about 1 ½ hours to complete and on returning we can sit on the deck of the Wetlands Restaurant where you can purchase something to eat and don't be surprised if a giraffe does not walk up to you and entice you to share it with her. With your hunger satisfied we will then visit the cheetah enclosure and be given the opportunity to interact with Sabu, Seethle or Cindy the 4 year old Cheetahs and Lion cubs. After an eventful day you will be transported back to your Hotel knowing that you have truly had an experience and memories that will last a life time.
