HAPPY METER 😊😊😊😊😊😊

Be collected from your Hotel and driven to a reserve approximately 60 minute drive from Sandton. On arrival you will have the opportunity to interact with lion cubs and a grown cheetah as well as being taken on a 1 hour open game drive into the 3 different predator camps where you will witness lions in their prides. During the course of the tour we will then take you out for a Walk with lions. This will take approximately 1 hour and during this time you will see the lions running freely in their own habitat where you will be given an in-depth information and insight into these amazing creatures. On returning to the lodge for a quick break we will see whether Perdi and her daughter Zoe the resident Giraffes are and if they have strolled down to the feeding area you can purchase them some pellets for a light snack. After an eventful day you will be dropped back off at your Hotel knowing that you have truly connected with Mother Nature and her creatures.
